**WARNING**  
Read and follow all safety precautions in the owner's manual. Failure to follow instructions could result in serious injury to user. To contact may cause the guide bar to move suddenly forward and backwards, which may cause serious injury to user. Two hands are always to be used in operation of the chain saw. Use only identical replacement bar and chain components manufactured by Husqvarna. For use only with Husqvarna B3 J-series batteries. See instruction manual for additional battery packs.

**AVERTISSEMENT**  
Consultez et respectez les consignes de sécurité contenues dans le manuel de l'utilisateur. Le non-respect de ces instructions peut entraîner de graves blessures chez l'utilisateur. Tout contact avec le nez peut entraîner des mouvements brusques de guide chaîne vers le haut ou vers le bas, susceptibles de provoquer de graves blessures. Utilisez toujours les deux mains lorsqu'il faut fonctionner la tronçonneuse. Utilisez uniquement des pièces de rechange ou guide chaîne et de la chaîne identiques qui ont été fabriqués par Husqvarna. À utiliser uniquement avec les batteries Husqvarna de la gamme B3. Consultez le manuel d'instructions pour les renseignements sur les packs de batteries supplémentaires.

**ADVERTENCIA**  
Lea y siga todas las precauciones de seguridad especificadas en el manual de instrucciones. El incumplimiento de estas instrucciones podría comportar lesiones personales de gravedad. El contacto con la punta podría provocar un movimiento repentino hacia arriba y hacia abajo de la espada, que podría causar graves lesiones personales. La robótica siempre debe manejar con las dos manos. Utilice únicamente componentes de sustitución de la espada y la cadena idénticos a los originales y fabricados por Husqvarna. Solo para usar con baterías de la serie Husqvarna B3. Consulte el manual de instrucciones para obtener más información sobre los paquetes de baterías.
